

Amendments to the Specification

At specification page 1, after the paragraph beginning with "[t]his is a nationalization," insert the following headings:

BACKGROUND OF THE INVENTION

1. Field of Invention

At specification page 1, replace the paragraph beginning with "[t]he present invention relates to" with the following replacement paragraph:

The present invention relates to a child harness ~~of the kind defined in the preamble of Claim 1~~ having a child carrying pouch and a harness for supporting the pouch.

At specification page 1, after the paragraph beginning with "[t]he invention thus relates to," insert the following heading:

2. Description of the Prior Art

At specification page 2, before the paragraph beginning with "[t]his object is achieved," insert the following heading:

SUMMARY OF THE INVENTION

At specification page 2, replace the paragraph beginning with "[t]he invention is defined in" with the following replacement paragraph:

~~The invention is defined in the accompanying independent claim~~ According to an embodiment of the present invention, a child harness includes a child carrying pouch with a generally flexible piece of material with side edges that define at least a part of a respective leg opening in a lower part of the pouch. The piece of material includes an elastically flexible sheet that is enclosed in a fabric casing that has a first piece of fabric on one major surface of the sheet and a second piece of fabric on another major surface of the sheet. The pieces of fabric are sewn together to provide a seam placed on the one major surface of the piece of material in the region of the respective leg opening. The seam is located at a distance of at least 0.5 cm from the edge of the leg opening.

At specification page 2, replace the paragraph beginning with "[f]urther embodiments of the invention" with the following replacement paragraph:

Further embodiments of the invention will be apparent from the accompanying ~~dependent claims~~ detailed description.

At specification page 2, after the paragraph beginning with "[t]he invention will now be described," insert the following heading:

BRIEF DESCRIPTION OF THE DRAWINGS

At specification page 3, before the paragraph beginning with "[f]igure 1 shows the inside of a front piece 13," insert the following heading and new paragraph:

DETAILED DESCRIPTION OF THE PREFERRED EMBODIMENTS

Further scope of applicability of the present invention will become apparent from the detailed description given hereinafter. However, it should be understood that the detailed description and specific examples, while indicating preferred embodiments of the invention, are given by way of illustration only, since various changes and modifications within the spirit and scope of the invention will become apparent to those skilled in the art from this detailed description.

At specification page 4, replace the paragraph beginning with "[t]he seam 61 extends" with the following replacement paragraph:

The seam 61 extends at a distance from the edge of the front piece 13 that defines the edge 51 of a leg opening 50 in the pouch 130 (Fig. 2). The distance between the seam 61 and said edge

51 is roughly 2 cm and the seam also extends at this distance from the edge 51 along both edge portions of the strip-like part ~~130~~ 140. The seam 61 may extend out towards the edge part of the front piece 13, at the upper parts of said front piece 13.

At specification page 4, after the last line, insert the following new paragraph:

The invention being thus described, it will be apparent that the same may be varied in many ways. Such variations are not to be regarded as a departure from the spirit and scope of the invention, and all such modifications as would be recognized by one skilled in the art are intended to be included within the scope of the following claims.

At specification page 5 (i.e., the first claims page), replace the heading with the following replacement heading:
